**March, 5th 2019**

Dear friends,

We are proud to celebrate together with you all the 4th anniversary of our tournament and hope that you have a splendid and unforgettable stay with the HC Tilburg. Therefore, certain matters are needing some more detailed explanation.

We like to point out to the captains that it is required to discuss the contents of these explanations with all their players so that they are fully aware of same.

As a supplement of the tournament program on Friday April 26th you are kindly requested to read:

12.30 – 12.45 P.M. Captains and umpires meeting in the clubhouse

12.45 P.M. Welcome and Opening

13.00 P.M. Start of the matches

You will find a copy of the “House Rules” of the HC TILBURG in our ISVT-program guide and these will also be available at the Captains meeting. We take it without any doubt that everyone will follow same in a gentlemen’s and sporty mind. The handed out water bottles can only being refilled at the special water taps along the hockey pitches and in the showers in the changing rooms. Please do not refill in the toilet rooms.

The post address is: HC Tilburg, Post Box 1176, NL-5004 BD Tilburg (the Netherlands).

We have a special request regarding the hockey shirts. Apart from your normal national or club shirts are for obvious reasons, shirts **in contrasting colors being required**. Moreover in view of the distinction between two teams and the fact that our umpires outfit is canary yellow We ask you kindly to recognize these facts. **The teamcolours will be mentioned in the matcheschedule .**

**Picture of the teamshirt:** If you have not sent us a picture of your teamshirt yet, please send us this as soon as possible. We will implement it in the software that will show the matcheschedule, matchresults and standings on the screens in our clubhouse.

**The registration for the Lunch, Italian Buffet, and/or Dinner Dance has to be made before the 1<sup>st</sup> of April.** Please find attached the Food Order Form. At the same form your choice for a Vegetarian dinner can be ordered. You are kindly requested to transfer the amount due also **before the 1<sup>st</sup> of April**, so that late comers willing to take part would be running a chance to find the place fully booked.

### **KINGS DAY 2019**

On April 27th Kings Day will be celebrated in the Netherlands. This KINGS DAY or Queens Day - when a Queen is on the throne - was celebrated for the first time back in 1885. Then called Princess Day because the later Queen Wilhelmina had not reached her full age yet. So for many years this 31st of August was the day when the Dutch people dressed themselves in orange and houses and streets were decorated in orange and the national colours. Dancing in the streets became very popular.

These days King Willem-Alexander, Queen Máxima and their three Princesses: Amalia, Alexia and Ariane visit together a city in the Netherlands. Consequently on Saturday April 27th our tournament will have an orange twist.

Gilbert Leene,  
President ISVT
