Introducing the Team card

We would like you to join our "Team card" application to enable you to pay your (team) spend at the Clubhouse of the HCTilburg, during the upcoming ISVT tournament, cashless.

How does this work? We will make, for each team, a "team card" available under your team name.

On the form which is send you accompanied by the Newsletter, you can request a team card and deposit money on the team card, using the same bank account which you will use to pay the diners and buffets, which you order on the same form.

If you deposit the money **before** the tournament you will get a 5% bonus on the card **and** the deposit left on the card after the tournament will be posted back to the same bank account, within ten days after the end date of the tournament. We would like you to "order" the card and deposit the money on the card **before** the tournament. This will avoid waiting in line at the start of the tournament.

The team card can be collected at the info desk at the start of the tournament. During the tournament you can post additional credit in the clubhouse.

We would encourage you to use this team card; it makes our and your live much easier during the tournament. In addition the clubhouse does accept Credit and Debit cards

The registration for the team card, the Lunch, Italian Buffet, and/or Dinner Dance has to be made before the 15th of March. Please find attached the Order Form. At the same form your choice for a Vegetarian dinner can be ordered. You are kindly requested to transfer the amount due **before the 22th of March.** Paying late might result in the chance that all seats for buffet and/or diner-dance are taken. We will use the rule first come, first served.
